

Difference War

Get a partner. (You can also play in 3's but it's trickier!) ☺

You will need:

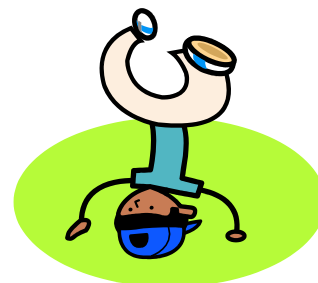

- ten frame cards
- some counters

How to Play:

- Each partner turns over one card.
- Compare the number on each card.
- Who has more?
- HOW MANY more?
- The person with more dots wins that many counters.

- Keep playing until the counter pile runs out.
- Count your counters.
- Who has more? More wins!

Difference War - Another way to play!

Hw to play:

- Each partner turns over **one** card.
- Compare the number on each card.
- Who has **less**?
- HOW MANY **less**?
- The person with less dots takes **NO** counters. The person with more dots takes that many counters.

- Keep playing until the counter pile runs out.
- Count your counters.
- Who has less? Less wins!
