

Fact Family Feud!!

Play in pairs

You will need:

- ten frame cards
- one die

How to Play:

- Roll the die. This is the amount you will add on each time (+4, for example).
- Each person turns over a ten-frame card.
- Each person says the sum. ("6 + 4 is 10". "8 + 4 is 12")
- The person with the higher sum wins the cards
- Keep playing until the cards run out.
- Who has more? More wins!
