

Attach these small green pieces to the end of the longer ones above. I have added another 0.5 cm of overlap to make it easier to tape. :o) It's important to be precise with the finished length. Finished length should be 30cm.

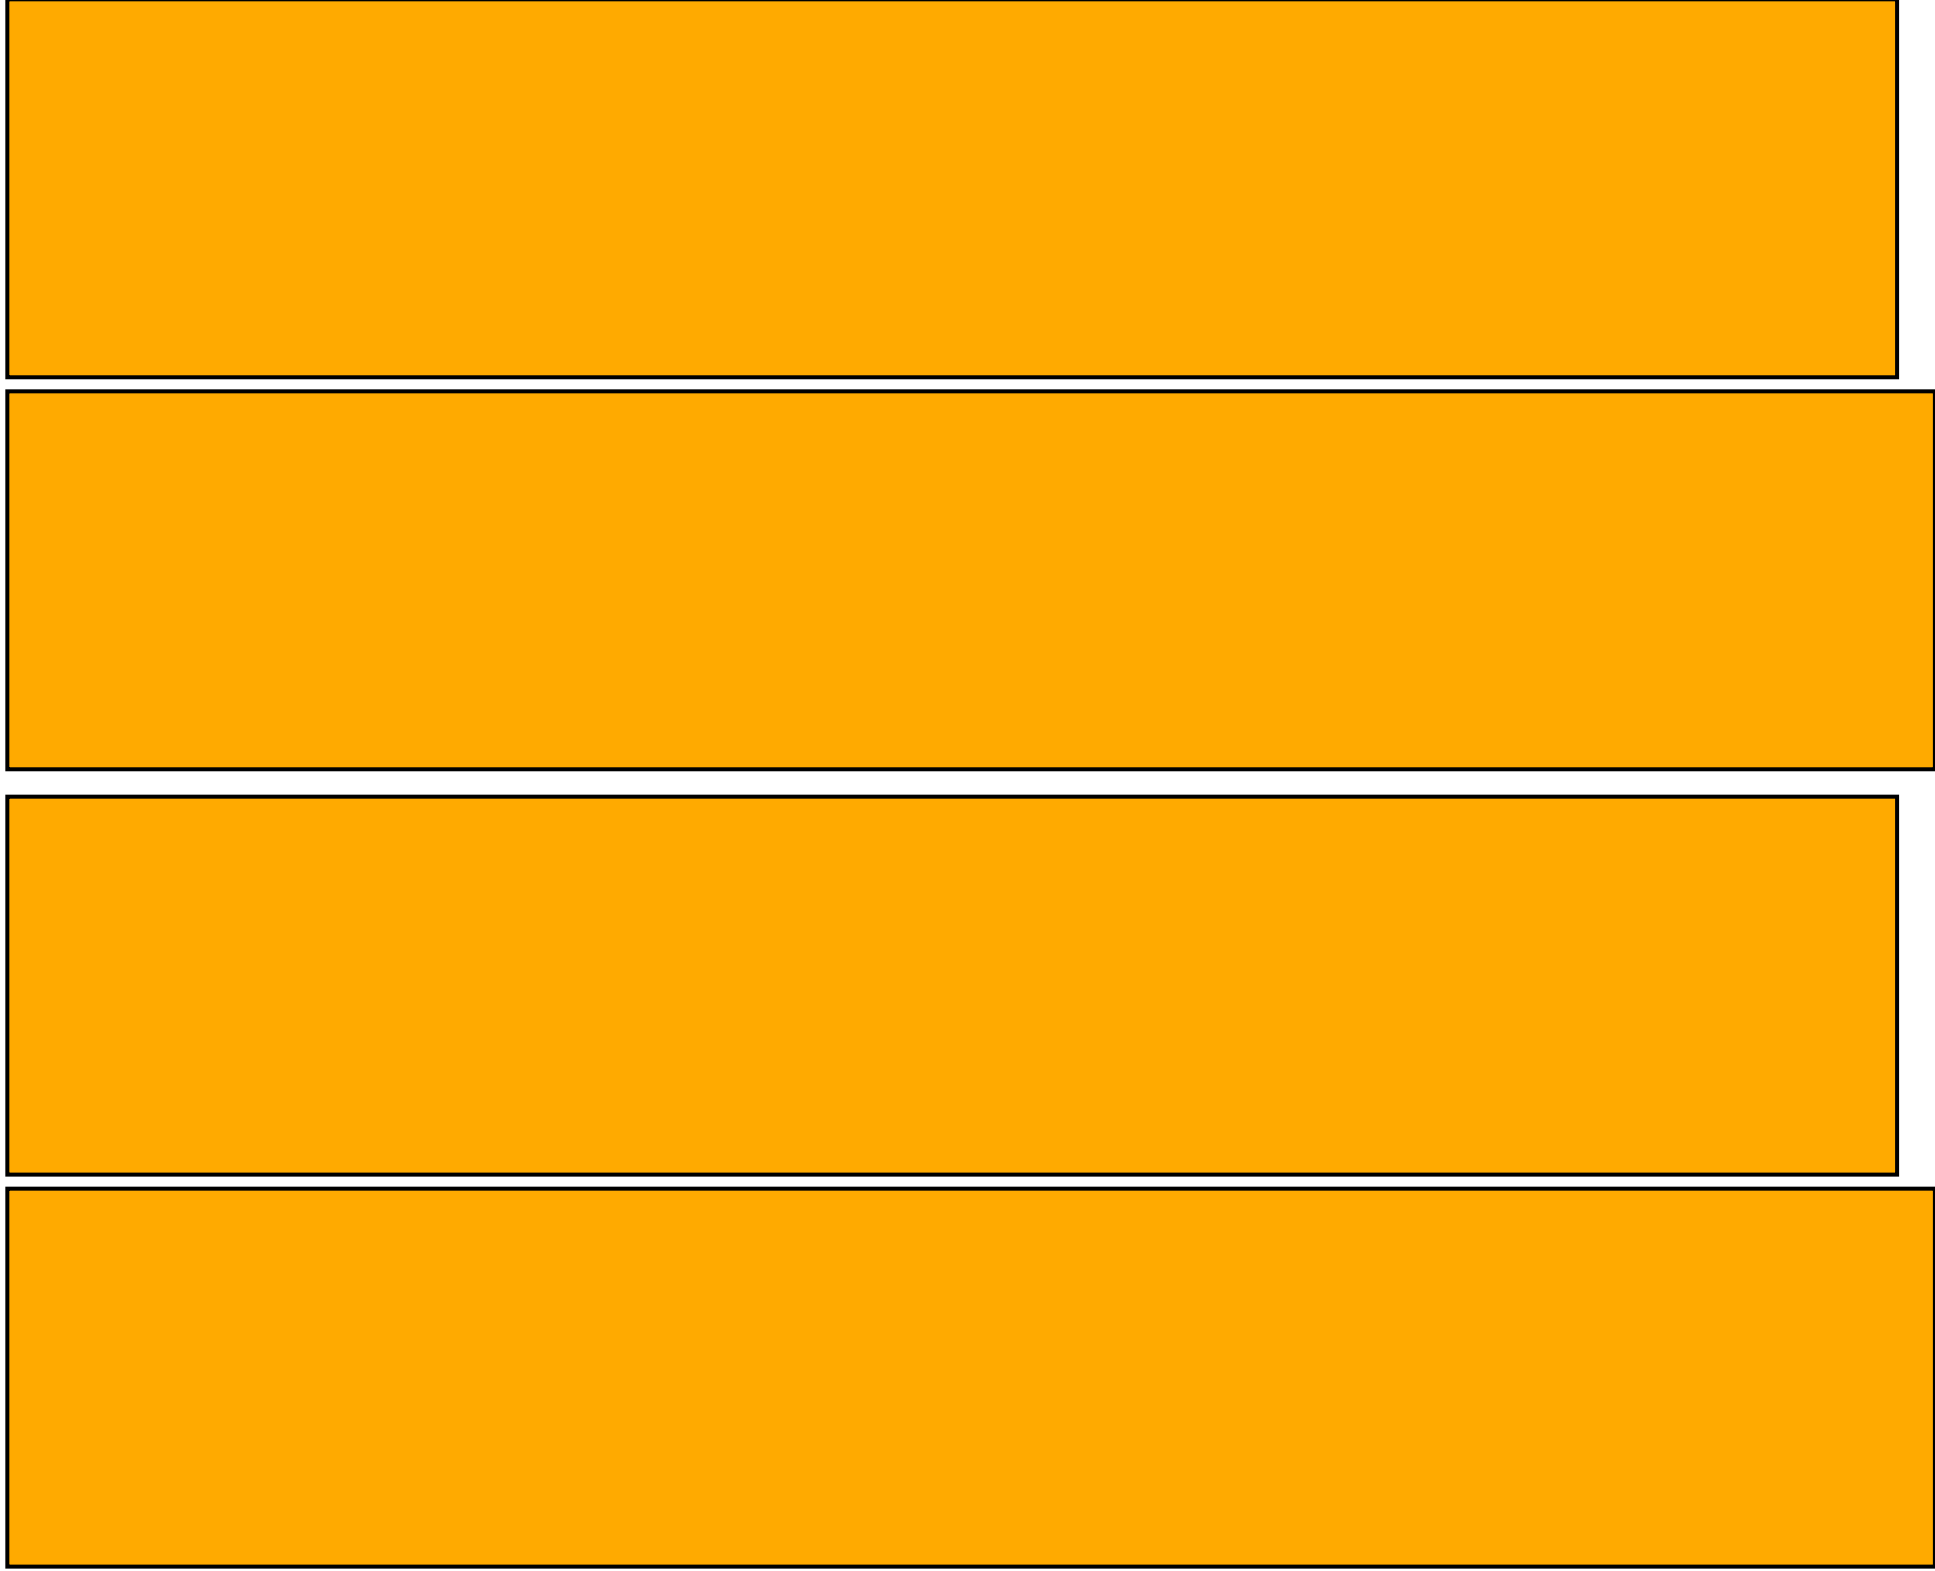

Attach these small black pieces to the end of the longer ones here. I have allowed 0.5 cm of overlap to make it easier to tape. A third one is included on the second page of this set. Finished length should be 35 cm.

Attach these small brown pieces to the end of the longer ones here. I have allowed 0.5 cm of overlap to make it easier to tape. It's important to be precise with the finished length. Finished length should be 40 cm.

Attach these smaller blue pieces to the end of the longer ones here. I have allowed 0.5 cm of overlap to make it easier to tape. :o) It's important to be precise with the finished length. Finished length should be 45 cm.

Attach these two orange pieces together. I have allowed 0.5 cm of overlap on the longer one to make it easier to tape. :o) It's important to be precise with the finished length. Finished length should be 50 cm.
